

COVID-19 Code of Conduct

I understand that by registering for and participating in an AIARE ITC, CLT, PRO1, or PRO2 I agree to follow AIARE's COVID-19 Operational Guidelines. I understand that masks, physical distancing, self-assessment for symptoms, hand washing, and other pandemic-related measures, will minimize the risk of infection. I further understand that the ability for AIARE to operate the course is dependent upon compliance of the COVID-19 Operational Guidelines by all course participants.

I will:

1. Properly wear my mask at all times when/where required.
2. Frequently wash and sanitize my hands during the course.
3. Inform the Instructor Staff immediately if I have a fever or any other symptom associated with COVID-19, including but not limited to: cough, new loss of smell or taste, chills, sore throat, nausea, or vomiting.
4. Follow local, state, and federal orders as they pertain to both where I am based and to my course location.
5. Practice physical distancing both before and during my course.
6. Support my fellow students and make every effort to be part of the solution as I recognize this is a stressful and overwhelming time for many.

Failure to abide by this pledge or not follow AIARE's COVID-19 Operational Guidelines can result in removal from the course. I acknowledge that while it may be challenging, I understand the consequences (and risk to those around me) of not upholding my pledge and I commit fully to the above actions.

I have read this Code of Conduct and I understand and agree to abide by all policies as indicated in this document.
