

## Daily Self-Screening

It is your responsibility to self-screen prior to the start of class each morning. If you report any of the following COVID-19 symptoms, you need to contact one of your instructors immediately by phone, text, or email and self-isolate. A decision regarding your continuation on the course will be based on the individual circumstances.

Do you have any of the following symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Muscle pain
- New loss of taste or smell
- Sore throat
- Nausea or vomiting
- Diarrhea
- None of the above

Have you had recent exposure to anyone with a suspected or known case of COVID-19 within the past 14 days? Recent exposure is defined as having been in close contact (less than 6ft) for a prolonged period of time (15 minutes or more) without adequate PPE to a person with confirmed or suspected COVID-19.

- Yes
- Not that I am aware.

The decision to isolate a student from a course is at the discretion of the AIARE Instructor Staff. The decision to remove a student from the course is the Instructor team working the course in conjunction with AIARE Administration.
