

Date

AIARE Course Leaders serve as risk managers, lead instructors, and mentors to less experienced instructors. Your recommendation speaks to an individual's experience instructing AIARE courses and provides insights that a resume can't provide. Your recommendation is one part of the process of ensuring course participants are ready to become course leaders. This form is submitted as part of a prospective Course Leader's application packet for a Course Leader Training.

Name of person you are recommending:

How often or how many courses have you worked with this person?

Most recent course and course type you have worked with this person:

Please select a box;

- I believe this person is ready to take a Course Leader Training
- I do not believe this person is ready to take a Course Leader Training

Please elaborate in 1-2 sentences for each of the following questions why you feel this individual has the skills and experience to become an AIARE Course Leader.

Curriculum Familiarity

Please speak to this person's fluency with AIARE curriculum and ability to adjust the usage of the AIARE Framework for AIARE 1 versus 2 audiences as well as adapt lessons and teaching style appropriate to a variety of audiences.

Risk Management

Please speak to this person's depth of experience and content knowledge as an avalanche professional as well as ability to meaningfully contribute and facilitate discussions about avalanche hazard and risk management.

Inclusive Coach

Please speak to this person's ability to recognize the diversity of experiences of students and co-instructors and adjust accordingly. Please comment on this person's ability to effectively coach others.
