

LIVE LARGE UNIVERSITY SCHOLARSHIP APPLICATION CRITERIA

Goals of #LiveLARGEUniversity Scholarship Program

- Promote avalanche awareness and improve safety in the backcountry snowmobiling community through recreational avalanche course scholarships.
- Support motorized avalanche educators, guides and workers through professional avalanche course scholarships.
- Inspire a cultural shift - make avalanche education a benchmark for all backcountry riders.
- Build industry partnerships with:
 - The motorized community at large / Avalanche Educators / Avalanche Organizations / Avalanche Centers / Corporate Partners invested in the backcountry community - to promote long term sustainability of our sport.

What qualifies a #LiveLARGEUniversity applicant for scholarship award?

- A strong desire to learn about avalanches and safe backcountry travel with your riding groups.
- Community members who can and will use their educational opportunity to engage with their friends and riding partners and be leaders in promoting avalanche education and backcountry safety.
- Aspiring teachers in our community who are passionate for the opportunity to join professional avalanche educators in the mission to help all backcountry riders live to ride another day.
- Aspiring snowmobile guides working through the stages of professional avalanche education in pursuit of sharing the sport of snowmobiling with the growing community of backcountry enthusiasts.

What are we looking for from those applying for a #LiveLARGEUniversity scholarship?

- Be a positive role model and encourage others.
- Be safety conscious and inspire others to be the same.
- We want to support people who will be able to invest into the motorized winter backcountry community and share their knowledge and passion for backcountry safety and avalanche safety.
- Help create opportunities for others to be able to work towards their avalanche education.

A special thank you to these key partners and supporters of the #LiveLARGEUniversity scholarship:
